GIFT CARD SALE

For those new to our Home, you will be delighted to learn that every year at this time we sell Gift Cards! These are the very same cards that you would buy at retailers or at those handy little kiosks. The difference is that WE get to keep the rebate that these retailers offer. Let us make your gift giving easy. There are two order dates and TONS of gift cards to choose from. See the order form in this envelope for details.

Resident / Family Christmas Luncheon

Saturday December 8th, 2018 at 12:00 PM

\$16.00 each per guest

We would like to extend an invitation to our Residents' families to attend our annual Resident / Family Christmas Luncheon. We will be serving a traditional Turkey Christmas dinner. The menu will be posted throughout the Home later this month. We ask that you sign up for this popular event by Friday, November 30th to guarantee your spot as space is limited. **Due to space constraints this year, we will be introducing a maximum of 6 persons per family (including resident), to allow each of our residents the opportunity to have their loved ones join.**

You can sign up by contacting our Business Office in person or by calling (705) 726-1003 ext. 0.

Joining Us Over The Holidays?

Guests are welcome to join our Residents over the Holiday season for meals. Please ensure you make arrangements with our Business Office during regular business hours. Due to space limitations during the busy Holiday season, we do have limitations in the dining rooms and will only be able accommodate 6 additional guests per meal. Special dinner meal prices for Christmas Day and New Year's Day will be \$15.00. You can sign up by contacting our Business Office in person or by calling (705) 726-1003 ext. 0.

Brining In A Family Meal?

The Centre of Excellence is available if your family would like to host a meal over the holidays. Please call the Business Office for details and availability. You are also welcome to use the Café area on the weekends.

On behalf of the Food & Nutrition Services Department, we wish you all a very safe and happy Holiday Season.

Travis Durham, Manager of Food & Nutrition Services.

PAPER STOCKINGS IN RESIDENT ROOMS

Later this month you will notice a green or red paper stocking hanging in your loved ones room. Designed to help with your Christmas shopping, these stockings are for staff to jot down ideas that your loved one may need. After all, who better than our very own staff to know those little things that might be needed? Please don't remove the stockings as ideas may pop up anytime between now and Christmas as all departments use these stockings for ideas.

Don't Forget Your Flu Shot

If you are feeling unwell or have a cough or fever, please do not visit. And remember to use extra caution during Flu Season by washing your hands often.
