

# Withdrawal of the Emergency Menu

## *Reintroduction to Grove Park Home's Regular Dining Menus*

### ***Phase 1 Effective Monday, July 27, 2020***

- ✓ The First Phase will include a re-introduction of the Winter/Spring 2020 Menu
- ✓ Effectively retiring the Emergency Menu
- ✓ Provides the time required to create the Summer/Fall 2020 Menu
- ✓ The Summer/Fall 2020 Menu is currently being reviewed by the Dietitian to meet the residents' nutritional requirements
- ✓ Resident Leadership Team is to review Summer/Fall 2020 Menu shortly

### ***Phase 2 Effective August 17 2020***

- ✓ The Second Phase of our reintroduction to our regular menus includes the implementation of the new three-week Summer/Fall 2020 menu
- ✓ This menu will be implemented following required approvals from Dietitians and Resident Leadership Team (RLT)
- ✓ The completion of new therapeutic spreadsheets, daily production sheets, standardized recipes and virtual show plates is required prior to implementation of the new menu

### ***Phase 3 Effective Early September***

- ✓ The Final Phase will include a revision of acceptable menu items with our RLT
- ✓ Following the first run of the menu, the RLT will have an opportunity to suggest menu items they deem not popular or acceptable
- ✓ Final changes will be made based on resident recommendations
- ✓ Menu will continue to run until next menu changeover (Winter/Spring)

### ***Physical Distancing at Meals***

Keeping residents 2m from others during meals remains in place for the foreseeable future.
